

# Red Alert Spray Buff and Cleaner

Red Alert **Spray Buff Cleaner** is designed to be used once a week to deep clean and enhance the shine to the heavy traffic areas of your floor. It will remove scuffs, black heel marks, and scratches without disturbing the original color changing properties of the floor. This product adds an additional color changing solution to extend your floor's ability to change RED when wet.

## *Instructions For Use*

You must use our specially designed **Spray Buff Cleaner** to maintain our floor safety product ability to warn of hazardous spills. If you do not use **Red Alert Spray Buff Cleaner**, then we can not grantee that our floors will perform as stated.

### **Directions:**

Clean floor by dust mopping, followed by damp mopping floor prior to use. Allow floor to dry completely before using this product. Use this product straight from the bottle for heavy cleaning or dilute, 1:1, with water for your weekly or bi-weekly buffing.
